

Dear Applicant,

Confluence Gallery and Art Center offers art classes in a variety of media, for adults and children. We are grateful to have received donations from the community so that we may award partial scholarships to assist selected students with the cost of tuition for these classes.

Confluence Gallery's Education Coordinator will review applications and make awards based upon economic need. If further selection must be made between equally qualified applicants, final decisions will be made based upon the written statement requested on the application form.

Scholarship decisions are made before knowing the name of the applicant. Please write your name, address and phone number on the first page of the application. Do not identify yourself on the second page of the application form. Upon completion, mail or hand deliver both in one envelope to:

Confluence Gallery and Art Center

Box 716

Twisp WA 98856

Attention: Sybil Macapia

This will insure that our Administrator can process the information by attaching the same identifying code number to each sheet. She will then submit the coded, but anonymous, second page of the application forms to the Education Coordinator. Decisions of the Education Coordinator will be reported to the Administrator and then to the applicants.

Thank you for your interest in Confluence Gallery's Arts Program.

Sincerely,

Sybil Macapia, Administrator
